ARILA GARDENS

MOPPA BAROSSA VALLEY SOUTH AUSTRALIA

MOPPA SERIES

MOPPA WINES

Our Moppa wines are an expression of the region from which we call home. Sourced from vineyards, or as we like to call them gardens, from the heart of Moppa. Fragrant wines with personality, crafted with a gentle touch and a respect for the distinct varietals from this renowned region.

COLOUR = Cherry red.
NOSE = Lifted dark fruits with savory nuances, spices (cinnamon, nutmeg), and tarragon create a complex aromatic profile that distinctly showcases Moppa characteristics.
PALATE = Rich and powerful for a Grenache, the fruit spectrum showcases black cherry and plum, gliding effortlessly with a succulent natural acid drive. Oak flavours remain in the background, adding texture and creaminess. As with all Moppa wines, the ripe tannin profile adds structure and richness, providing a strong yet refined backbone. The addition of 5% Mataro further enhances the complexity with notes of bitter chocolate and smoked meat. A captivating wine that will improve with bottle age.
CELLARING POTENTIAL = 5 + years.

MOPPA SERIES

MOPPA WINES

Our Moppa wines are an expression of the region from which we call home. Sourced from vineyards, or as we like to call them gardens, from the heart of Moppa. Fragrant wines with personality, crafted with a gentle touch and a respect for the distinct varietals from this renowned region.

COLOUR = Bright crimson red.
NOSE = At once Saperavi, wild berry, beetroot and thyme, all co-exist in a beautifully aromatic wine.
PALATE = Fresh and alluring this wine shows off the exotic characters of Saperavi. Starting with a sweet core of pomegranate and fig fruits, the palate lingers effortlessly. The tannin framework is silky with little oak artefact allowing the fruit to shine. A beautifully orchestrated wine that will improve in complexity over time.
CELLARING POTENTIAL = 5 + years.

SINGLE VINEYARD SERIES

SINGLE VINEYARDS WINES

The Single Vineyard Grenache is a small parcel of incredibly special fruit from old vines planted in 1900 on our Arila Gardens property. The vines are gnarly and twisted with deep root systems spanning the predominately sand over clay earth beneath. The philosophy of this Grenache is simple; to make a world-class Grenache that expresses this sought-after variety, from this historic place, in this time to be savoured for many years to come.

COLOUR = Deep purple with bright red hues.
NOSE = Aromatic and enticing with layers of fresh mulberries, black cherry, and musk, complexed by notes of Turkish delight and baking spices.
PALATE = Black fruits fill the mouth with expansive length. Nuances of flavour emerge, with chocolate malt supporting the generous fruit. A nerve of bright natural acidity heightens and drives the palate, complemented by finely knit, powdery tannins.
CELLARING POTENTIAL = 10 + years.
