BERICANTO

VICENZA ITALY

EXCLUSIVE WINES FROM THE BERICISHIRE

STORY = Bericanto is an exclusive wine project, celebrating 20 years of our successful partnership with the Berici hills vine growers. We crafted special wines, carefully selected among our partners' best productions, in special bottles to enhance their uniqueness, deeply rooted in the rocks of our hills. With Bericanto we wish to offer our true and "cru" version of Prosecco and Pinot Grigio, thanks to unique terroir and winemaking expertise.

Origin: Bericishire, gentle hilly area between Vicenza and Verona, on the footsteps of the Alps.

Territory: Basaltic and volcanic, renowned for the white rock.

Climate: Temperate, protected by the small dolomites and mitigated by the effect of Adriatic sea.

Winemaking: Careful selection of grapes among our vine growers partners, Separate and gentle vinification and long refinement.

TASTING NOTES = Bright saturated straw-yellow hue. Excellent impact on the nose with complex and well-blended wild flower and ripe fruit (apple and banana) bouquet. Strong personality, long, pleasantly fresh and lingering on the palate. Pairs well with tasty fish-based appetisers, vegetable first courses, and white meat-based main dishes

SERVING TEMPERATURE = 8 – 10 Degrees C.

GRAPE:

100% PINOT GRIGIO

94 Points Luca Maroni

2023 Pinot Grigio DOC 12.5% Alc

TASTING NOTES = Shining in a clear ruby red colour, the bouquet intrigues you with notes of raspberry and wild berries, mixed with a number of spices and aromas of undergrowth. In the mouth it surprises with a wonderful elegance and a good tannic structure to frame the wine. Velvety tannins in the finish. Already enjoyable now despite the young age, it will develop over a few years. Suggested food pairings: lamb, roasted red meats, herb risotto and hard mature cheeses.

SERVING TEMPERATURE = 12 – 14 Degrees C.

TASTING NOTES = Intense garnet red colour, the nose features fragrant aromas of cassis and blackberry with hints of vanilla. With the acid vein that sustains, the tannin that weaves and the pulp of fruit that everything harmoniously wraps and contains, the mouthfeel is majestic with notes of cherries, clove, licorice, sweet tannins and long finish. Great companion for game, roasted red meats, mature cheeses and salami. Very suitable also as an after dinner drink.

SERVING TEMPERATURE = 16 – 18 Degrees C.
