MOUNT TRIO

GREAT SOUTHERN WESTERN AUSTRALIA

ESTATE

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

COLOUR = Bright and clear with a lemony gold colour.

AROMA = Attractive nose with the typical “Chardonnay” characters of ripe stone fruit and fresh rockmelon, complexed by the light, spicy oak characters picked up during barrel fermentation.

PALATE = Our Chardonnay has a lovely palate with the varietal fruit flavours of fresh melon predominating; the oak is secondary and just adds complexity and structure to the palate. It has gorgeous palate weight, is ‘seamless’ and well balanced; its natural acidity giving a clean, dry and lingering crisp finish. Delicious!

CELLARING = Our Chardonnay is excellent drinking right now. It could be served with many foods. It will also handle a couple of years bottle age. Serve lightly chilled.

2024 Chardonnay 12.0% Alc

MOUNT TRIO

GREAT SOUTHERN WESTERN AUSTRALIA

ESTATE

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

COLOUR = Very bright and clear with a light hint of green / gold colour.

AROMA = Super fresh and pungent with light tropical fruit characters of passionfruit, kiwifruit and ripe pear.

PALATE = Quite fresh and zesty! The light tropical fruit flavours are well tempered by the tangy acidity. It has a nice weight on the palate and considerable length of flavour; the delicious crisp acidity contributing to its long clean finish. A fruity, crisp dry wine that can be enjoyed as an aperitif or serve well chilled with just about anything.

CELLARING = This Sauvignon Blanc is designed for current drinking, so just refrigerate until its cold enough and enjoy.

2025 Sauvignon Blanc 12.5% Alc

MOUNT TRIO

GEOGRAPHE WESTERN AUSTRALIA

ESTATE

James Halliday Winery Rating
**** 4 ½ BLACK STAR WINERY ****

WINEMAKERS COMMENTS = We're very pleased to be releasing this Sangiovese Rose, the first Rose from Mount Trio. We were fortunate to secure a small parcel of Sangiovese grapes from near Bunbury in the Geographic region of WA's South West. Perfect for a Rose, the fruit had just a few hours skin contact so the juice could pick up a light touch of colour, before fermenting to dryness at cool temperatures. Bottling early has ensured maximum freshness of flavor.

COLOUR = the prettiest pale pink with excellent brightness.

AROMA = Is lightly perfumed with delicate strawberry fruit aromas and some subtle musk characters.

PALATE = This is in the 'Mediterranean' style, being savoury and textural rather than overtly fruity. It has subtle strawberry fruit flavours and some 'cherry stone' characters with a lovely mouthfeel and great palate weight and texture. It's good acidity and light touch of tannin astringency provide a pleasingly dry finish.

CELLARING = Best to drink as a young wine, we recommend storing in the fridge until chilled.

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

AROMA = This Moscato is the palest of pink in colour with a clear hue. It is a very aromatic wine. It has the distinctive and perfumed aromas of rose water and fresh blossom flowers. It has characters of Turkish Delight with hints of musk and candies fruit.

PALATE = This is a delightful wine with loads of fresh, sweet fruit flavours. With an alcohol of less than 8%, its light and delicately fruity with sweet pink grapefruit characters and guava fruit flavours. The residual sweetness gives this Moscato its good palate weight and the fresh acidity balances the wine beautifully and gives it its clean finish.

CELLARING = This Moscato is definitely a wine to be enjoyed while fresh and young, once its well chilled, its ready to enjoy.

MOUNT TRIO

GREAT SOUTHERN WESTERN AUSTRALIA

ESTATE

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

COLOUR = A good deep and vibrant dark red.

AROMA = An attractive nose, it has the dark berry fruit aromas typical of the variety together with some notes of smoky plum, all complexed by the subtle oak characters picked up during barrel maturation.

PALATE = This is a well flavoured Merlot, it has lovely sweet black berry fruit characters on the palate with a good textural quality. These clean fruit flavours are balanced by its gentle tannin structure and the wine is well integrated after its time in French oak and several months in bottle. This is a medium bodied red that is certainly approachable now and will also handle some short term cellaring.

**** 4 ½ BLACK STAR WINERY ****

COLOUR = A bright, crimson red with a purple hue.

AROMA = Lovely lifted fruit aromas of spicy cherries, smoky plums and fresh tamarillo; these characters have been complexed by 9 months maturation in once and twice used French oak.

PALATE = This is an attractive, light-medium bodied Pinot with good texture and good mouth feel. It has fresh raspberry fruit flavours and sweet tamarillo characters. These fruit flavours are balanced by the fine, slightly chalky tannins which give the wine its good palate length.

CELLARING = A lighter style of Pinot Noir, this can be enjoyed now with any type of food while it will also handle an extra year or two in the bottle and develop further complexity. Serve lightly chilled on a warm day.

2024 Pinot Noir 14.5% Alc

MOUNT TRIO

PORONGURUP WESTERN AUSTRALIA

SINGLE VINEYARD SERIES

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

AROMA = This has beautiful aromatics, the sweet lime and “kaffir” leaf characters are typical of Porongurup Riesling. There are some minerally characters and delicate floral aromas but the lime fruit characters are the most distinctive.

PALATE = This Riesling is a beautifully fine and crisp dry wine. It is a little fuller flavoured than last year with lovely, quite concentrated, sweet lime fruit flavours. It still has a good crisp acidity and excellent persistence of flavor. The clean, tangy finish means it’s a great wine to serve as an aperitif, or it would be well matched with any fresh seafood.

CELLARING = Riesling like this is fantastic at any age. Enjoy while fresh and young or cellar for some bottle age complexity. This wine should continue to drink well for 5 + years.

2025 Porongurup Riesling 11.5% Alc

MOUNT TRIO

PORONGURUP WESTERN AUSTRALIA

SINGLE VINEYARD SERIES

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

AROMA = A beautifully perfumed and complex nose with smoky, spicy, sweet cherry and strawberry fruit aromas, complexed by some savoury, slightly earthy notes.

PALATE = Has good intensity of those smoky, cherry fruit flavours, with hints of cranberry and red plum along with the savoury, earthy characters from its barrel maturation. With great mouthfeel and palate weight and its gentle tannin structure.

CELLARING = This Pinot is superb drinking now. However, with its good acidity and freshness it will also handle several years in the cellar for further complexity.

MOUNT TRIO

GREAT SOUTHERN WESTERN AUSTRALIA

ESTATE

James Halliday Winery Rating

**** 4 ½ BLACK STAR WINERY ****

COLOUR = A dark crimson red with purple hues.

AROMA = Fragrant aromas of rich ripe raspberry and dark plum, with a hint of smoky black tea adding complexity.

PALATE = This Shiraz is full and flavoursome on the palate. It has loads of the spicy plum and delicious dark berry fruit flavours typical of the variety and complemented by the subtle French oak. It has a generous palate that's well balanced by moderate and gently drying tannins.

CELLARING = Great drinking, it can be enjoyed right now and over the next few years. A good match with any meal.
