JENI PORT's COMMENTS = Picture perfect non vintage Prosecco that amplifies the best of its many sparkling qualities. From the cut apple, quince and pear aromas to the energy that flows on the palate courtesy of the lively lemon-ness of it all – lemon sorbet, zest, lemon fruit tingle – this is top summer drinking. Zippy, clean acidity accentuates and enlivens.

HALLIDAY COMMENTS = Congratulations **DAY WINE COMPANION** on Risky Business Prosecco being recognized as one of the top 100 wines. This is a significant achievement for the brand, in the wine industry and a testament to your commitment to quality.

JOHN WALDRON COMMENTS = Risky Business tries to please people, not impress, but I must say this acknowledgment today is impressive. I am very proud of what we have achieved since 2013.

JENI PORT's COMMENTS = Risky Business has been sourcing prosecco from the King Valley for nearly 10 years. There's an enviable consistency to style. It's seen here from the bright, just-cut green apple and citrus summery scents through to the utterly delicious lemon sorbet crunch and bubbly zing on the palate. And dry ... prosecco looks so good when it's dry and clean-cut.
